

April 12,2019

To Our Valued Clients,

Please note that AVS will be closed on April 19, 2019 in observance of Good Friday.

Additionally we are going to use this time to do maintenance in our Data Center, so our systems will be unavailable, starting 9pm on Thursday April 18 until 12pm Saturday April 20.

With that in mind, please plan accordingly.

Thank You
